Ark Pioneer School Day

Pupils at Ark Pioneer have a longer school day than many other schools. This allows pupils to study a wide-range of subjects and also to spend more time learning English and Maths ensuring high standards of literacy and numeracy.

The school gates open at 8.00am and a member of the senior staff will be at the school gates greeting every pupil as they arrive to school. Breakfast is available in the school dining hall from 8.00am and pupils travelling with mobile phones must arrive before Line Up to hand their phones in to school office staff by 8:20 at the latest. (Phones are returned at the end of the school day.)

The school day officially begins with Line Up at 8:25am in the Courtyard and ends at 4:30pm on Monday, Tuesday, Thursday and Friday. On a Wednesday school finishes at 3.00pm. Pupils are walked by their teacher from their last lesson of the day to the school gates. Pupils who need to collect their mobile phone do so now.

There are seven lessons on Monday, Tuesday, Thursday and Friday. On Wednesday there are six lessons because school finishes early. Every Tuesday and Friday, Period 7 is Enrichment. Form Time (sometimes called Tutor Time) is on a Monday, Tuesday and Thursday, after the lunch break. Assembly is on a Friday after the lunch break. Both Form Time and Assembly are 30 minutes long. Each takes place in a different classroom and registration is taken at the start of each lesson. Lessons last for 55 minutes. Double lessons last for one hour and 50 minutes. Teachers will usually dismiss a class a minute or so early to allow them to reach their next classroom on time.

Every day at 11:15 there is one twenty-minute break after Period 3. The lunch break begins at 1:25pm and ends with Line Up in the Courtyard at 2:10pm.
