Extended Curriculum

French

Work to be completed

- Phonics revision – label the French words so you know how to pronounce them accurately
- Family introductions – translation revision
- Articles – revision of masculine, feminine and plural articles (the/a)

Resources / links to help with work:

- Practise your pronunciation online <https://ttsmp3.com/text-to-speech/French/> (type the word and click "read". This works on computers or smartphones.
- The free app Duolingo will help you with speaking and listening work – download it and complete 10 minutes French practise per day. <https://www.duolingo.com/>
- BBC Bitesize KS3 French has support on all the topics we have studied this year. <https://www.bbc.co.uk/bitesize/subjects/zgdqxn>

How will this work be checked?

Each week you will be given 'red pen work' to carry out corrections on the learning that you are doing at home.

If you complete your work to a really high standard, please email a picture to your form tutor or to info@arkpioneer.org and we will upload the best examples to celebrate on our website!

How much time should I be studying and what happens if I don't finish all my work?

For core curriculum subjects you are expected to do 30min each day as a minimum. Those subjects are English language, English literature, Maths, Science, History and Geography. These subjects all have a weekly quiz and will be checked in on by your form teacher when they call each week.

All other subjects are 'Extended Curriculum' and they should be done after you have finished the Core Curriculum tasks for the day. You should plan to do work in different subjects each day. We recommend that pupils do one hour per week in each of the 'extended curriculum' subjects.

We recognise that it is not possible for all pupils to complete all work given the exceptional circumstance. Please speak with your form tutor about the work if it is becoming unmanageable.
