

Ark Pioneer learning at Home

Extended Curriculum

Religion and Philosophy

Work to be completed

- Complete the entry quiz to the Oak National lesson
- Watch the teacher explanation video
- Complete the work set in the session in your book or on any paper at home
- Complete the exit quiz with a score of 75%+

Resources / links to help with work:

- Abraham Father of a Chosen Nation - <https://classroom.thenational.academy/lessons/abraham-father-of-a-chosen-nation>

How will this work be checked?

Each week you will be given 'red pen work' to carry out corrections on the learning that you are doing at home.

If you complete your work to a really high standard please email a picture to your form tutor or to info@arkpioneer.org and we will upload the best examples to celebrate on our website!

How much time should I be studying and what happens if I don't finish all my work?

For core curriculum subjects you are expected to do 30min each day as a minimum. Those subjects are English language, English literature, Maths, Science, History and Geography. These subjects all have a weekly quiz and will be checked in on by your form teacher when they call each week.

All other subjects are 'Extended Curriculum' and they should be done after you have finished the Core Curriculum tasks for the day. You should plan to do work in different subjects each day. We recommend that pupils do one hour per week in each of the 'extended curriculum' subjects.

We recognise that it is not possible for all pupils to complete all work given the exceptional circumstance. Please speak with your form tutor about the work if it is becoming unmanageable.

Aim high

Have integrity

Be kind

Model determination

You should start by logging on to Oak National Academy and finding the below section.

You can also access this area by clicking the link at the front of this booklet.

We are going to be completing the lessons on Judaism for the next few weeks. This week's focus is 'Abraham: Father of a Chosen Nation':

Begin by taking the quiz and then moving on through the teacher presentations and completing all work in your exercise booklet or paper that you have at home.

Video

Click on the play button to start the video. If your teacher asks you to pause the video and look at the worksheet you should:

- Pause the video
- Click "Close Video"

Work your way through the content and finish by completing the end quiz:

Exit quiz

This quiz is a great way for you to test your learning from this lesson.

If you would like to re-cap any of the lesson, or repeat any exercise, click 'Back' below.

Start Quiz

Once you click submit make sure to view your score. If you score less than 75% then go back through the content to ensure you have revised.

Additional Stretch:

Oak National have recently introduced some really interesting Activity Clubs on their website.

The Faith at home section (<https://www.thenational.academy/oak-activity-club/faith-at-home>) contains lots of good videos on different thoughts from faith leaders. I would encourage you to watch the section this week on 'Humility' which goes with our value of Be King and Have Integrity.

Faith At Home

Join our weekly collective worship sessions, led by Church of England's schools and in partnership with those of other faith traditions. Suitable for those of all faiths and none.

See Activities

Another very interesting club to consider is the Votes for Schools section:

VotesforSchools

At VotesforSchools we create resources on a topical issue to debate and discuss. At the end of the debate, you vote and leave comments; we then share these views with those who need to know. Raising the profile and impact of pupil voice, we are the go-to place to learn about what young people think.

[See Activities](#)

The one debate to consider this week is 'Should half of Earth be set aside for wildlife' <https://classroom.thenational.academy/lessons/should-half-of-earth-be-set-aside-for-wildlife-secondary> which is relevant right now because as one of the positive benefits of a slowdown across the world has been a boost for wildlife and many people are arguing that we cannot go back to the way things were.

Share this lesson:

Should half of Earth be set aside for wildlife?

Should we allocate 50% of our planet for wildlife? What about people's needs? Have the debate, then let us know what you think.
