

## Ark Pioneer Learning at Home Extended Curriculum

### Music

#### Work to be completed

- Task 1:** Read the information on BBC Bitesize on 'Found Sounds' and watch the video clips.
- Task 2:** Answer the questions on 'Found sounds' and correct your answers.
- Stretch:** Using a phone/audio recording device, have a go at the composition activity on BBC Bitesize.

#### Resources/Links to help with work

- **Link 1 – BBC Bitesize (Found sounds)**  
<https://www.bbc.co.uk/bitesize/articles/z7pg47h>

#### How will this work be checked?

Each week you will be given 'red pen work' to carry out corrections on the learning that you are doing at home.

If you complete your work to a really high standard please email a picture to your form tutor or to [info@arkpioneer.org](mailto:info@arkpioneer.org) and we will upload the best examples to celebrate on our website!

#### How much time should I be studying and what happens if I don't finish all my work?

For core curriculum subjects you are expected to do 30min each day as a minimum. Those subjects are English language, English literature, Maths, Science, History and Geography. These subjects all have a weekly quiz and will be checked in on by your form teacher when they call each week.

All other subjects are 'Extended Curriculum' and they should be done after you have finished the Core Curriculum tasks for the day. You should plan to do work in different subjects each day. We recommend that pupils do one hour per week in each of the 'extended curriculum' subjects.

We recognise that it is not possible for all pupils to complete all work given the exceptional circumstance. Please speak with your form tutor about the work if it is becoming unmanageable.

*Aim high*

*Have integrity*

*Be kind*

*Model determination*

**Task 1: Read the information on BBC Bitesize about found sounds and watch the video clips.**

<https://www.bbc.co.uk/bitesize/articles/z7pg47h>

**Task 2: Answer the questions on 'found sounds'.**

1. What is a found sound?
  - a) A real world sound
  - b) Sound from a musical instrument
  - c) An old piece of music
  
2. What is an ostinato?
  - a) A type of chord
  - b) A section in a song
  - c) A repeated musical pattern
  
3. Which of these terms describe experimental and forward-thinking artists?
  - a) Traditional
  - b) Avant-garde
  - c) Guardian
  
4. What is sampling?
  - a) The process of taking a short clip of sound and using it in a piece of music
  - b) An original piece of music created by an artist
  - c) Recording a piece of music using a band and a singer
  
5. Which of these terms describe sound that is in the background to set a scene?
  - a) Sampled sound
  - b) Ambient sound
  - c) Direct sound

6. How did Billie Eilish create the percussion sound used in 'Bad Guy'?
- a) Pre-recorded ticking sounds from a studio
  - b) Computer generated ticking sounds
  - c) Ticking sound from an Australian road crossing that she recorded on her phone

**Stretch: Using a phone/audio recording device, have a go at the composition activity on BBC Bitesize.**

**If you have Garageband on an applemac/iphone/ipad, you could have a go at editing your recorded sounds together!**

## Answers to Task 2

1. What is a found sound?
  - a) **A real world sound**
  - b) Sound from a musical instrument
  - c) An old piece of music
  
2. What is an ostinato?
  - a) A type of chord
  - b) A section in a song
  - c) **A repeated musical pattern**
  
3. Which of these terms describe experimental and forward-thinking artists?
  - a) Traditional
  - b) **Avant-garde**
  - c) Guardian
  
4. What is sampling?
  - a) **The process of taking a short clip of sound and using it in a piece of music**
  - b) An original piece of music created by an artist
  - c) Recording a piece of music using a band and a singer
  
5. Which of these terms describe sound that is in the background to set a scene?
  - a) Sampled sound
  - b) **Ambient sound**
  - c) Direct sound
  
6. How did Billie Eilish create the percussion sound used in 'Bad Guy'?
  - a) Pre-recorded ticking sounds from a studio
  - b) Computer generated ticking sounds
  - c) **Ticking sound from an Australian road crossing that she recorded on her phone**
