- Recap and Practise - <https://classroom.thenational.academy/lessons/recap-and-practise-a5ecab>

#### How will this work be checked?

Each week you will be given 'red pen work' to carry out corrections on the learning that you are doing at home.

If you complete your work to a really high standard please email a picture to your form tutor or to [info@arkpioneer.org](mailto:info@arkpioneer.org) and we will upload the best examples to celebrate on our website!

#### How much time should I be studying and what happens if I don't finish all my work?

For core curriculum subjects you are expected to do 30min each day as a minimum. Those subjects are English language, English literature, Maths, Science, History and Geography. These subjects all have a weekly quiz and will be checked in on by your form teacher when they call each week.

All other subjects are 'Extended Curriculum' and they should be done after you have finished the Core Curriculum tasks for the day. You should plan to do work in different subjects each day. We recommend that pupils do one hour per week in each of the 'extended curriculum' subjects.

We recognise that it is not possible for all pupils to complete all work given the exceptional circumstance. Please speak with your form tutor about the work if it is becoming unmanageable.

*Aim high*

*Have integrity*

*Be kind*

*Model determination*

You should start by logging on to Oak National Academy and finding the below section.

You can also access this area by clicking the link at the front of this booklet.

**Task 1:** This week's focus is 'The Exodus'. We have covered some of this content at the earlier in the school year but is important to the rest of your religious understanding, so it is important to revise. There are also slightly different parts of the story.

**Task 2:** To bring all the work you have been doing together into some practice I would also like you to complete the 'Recap and Practise'. This work focuses on all the different knowledge you have been learning about Judaism.

Begin as usual by taking the quiz and then moving on through the teacher presentations and completing all work in your exercise booklet or paper that you have at home.

Once you click submit make sure to view your score. If you score less than 75% then go back through the content to ensure you have revised.

### **Additional Stretch:**

Oak National have recently introduced some really interesting Activity Clubs on their website.

The Faith at home section (<https://www.thenational.academy/oak-activity-club/faith-at-home>) contains lots of good videos on different thoughts from faith leaders. I would encourage you to watch the section this week on 'Humility' which goes with our value of Be King and Have Integrity. It is set by one of the Jewish faith leaders, The Chief Rabbi. I did mention it a few weeks ago so make sure you watch it if you haven't already.

## Faith At Home

Join our weekly collective worship sessions, led by Church of England's schools and in partnership with those of other faith traditions. Suitable for those of all faiths and none.

## Humility (secondary)

This week's Faith at Home episode explores the theme of HUMILITY – with input from Chief Rabbi Ephraim Mervis exploring Jewish approaches to humility and the festival of Shavuot – plus prayers, reflections, activities and fun from student leaders in London and Accrington, and a performance from Guvna B.

If you have finished the work and already watched the message then a great debate that has recently been put up is on the anti-racism protests happening across the world.

The link to the material is here: <https://classroom.thenational.academy/lessons/will-the-anti-racism-protests-bring-a-change-to-the-usa-secondary>

I would encourage you all to watch the material and form your opinion on this very important topic and one I know you have been looking at in assembly and in history.
