

# Ark Pioneer learning at Home

## Extended Curriculum

### Religion and Philosophy

#### Work to be completed

- Complete the entry quiz to the Oak National lesson
- Watch the teacher explanation video
- Complete the work set in the session in your book or on any paper at home
- Complete the exit quiz with a score of 75%+

#### Resources / links to help with work:

- Temple worship and sacrifice - <https://classroom.thenational.academy/lessons/temple-worship-and-sacrifice>
- Afterlife - <https://classroom.thenational.academy/lessons/afterlife>

#### How will this work be checked?

Each week you will be given 'red pen work' to carry out corrections on the learning that you are doing at home.

If you complete your work to a really high standard please email a picture to your form tutor or to [info@arkpioneer.org](mailto:info@arkpioneer.org) and we will upload the best examples to celebrate on our website!

#### How much time should I be studying and what happens if I don't finish all my work?

For core curriculum subjects you are expected to do 30min each day as a minimum. Those subjects are English language, English literature, Maths, Science, History and Geography. These subjects all have a weekly quiz and will be checked in on by your form teacher when they call each week.

All other subjects are 'Extended Curriculum' and they should be done after you have finished the Core Curriculum tasks for the day. You should plan to do work in different subjects each day. We recommend that pupils do one hour per week in each of the 'extended curriculum' subjects.

We recognise that it is not possible for all pupils to complete all work given the exceptional circumstance. Please speak with your form tutor about the work if it is becoming unmanageable.

*Aim high*

*Have integrity*

*Be kind*

*Model determination*

You should start by logging on to Oak National Academy and finding the below section.

You can also access this area by clicking the link at the front of this booklet.

**Task 1:** This week's focus is 'Temple worship and sacrifice'. We have been covering some Jewish beliefs recently and this week we will look at two really important areas of their faith.

**Task 2:** To build on this work on Judaism I am asking you to also complete the lesson about the idea of the afterlife. We know that Christians have their beliefs on the afterlife and now we will see a different perspective.

Begin as usual by taking the quiz and then moving on through the teacher presentations and completing all work in your exercise booklet or paper that you have at home.

## Video

Click on the play button to start the video. If your teacher asks you to pause the video and look at the worksheet you should:

- Pause the video
- Click "Close Video"

Work your way through the content and finish by completing the end quiz:

## Exit quiz

This quiz is a great way for you to test your learning from this lesson.

If you would like to re-cap any of the lesson, or repeat any exercise, click 'Back' below.

Start Quiz

Once you click submit make sure to view your score. If you score less than 75% then go back through the content to ensure you have revised.

### **Additional Stretch:**

Given last week's assembly I wanted to give everyone another opportunity to complete the work on Pride month that I mentioned last week.

June is recognised as 'Pride', it is a month dedicated to celebrating the LGBTQ+ (Lesbian, Gay, Bisexual, Transgender and Queer) communities all around the world.

Pride is usually celebrated with lots of parades and marches but with coronavirus and social distancing still in place, things will be a little different this year.

A lot of events have been postponed or cancelled, but the celebrations will continue on zoom, tiktok and other social media, keeping people connected and celebrating.

It's about people coming together in love and friendship, to show how far gay rights have come, even if in some places there's still some work to be done.

Pride month is about teaching tolerance, education in pride history and continuing to move forward in equality.

It calls for people to remember how damaging homophobia was and still can be.

It's all about being proud of who you are no matter who you love.

To help look into these issues a little more, I would like you to access the Oak National debate, 'A Pride debate'.

Share this lesson:

## A Pride debate: do we appreciate being unique?

The link to the material is here: <https://classroom.thenational.academy/lessons/a-pride-debate-do-we-appreciate-being-unique-secondary>

I would encourage you all to watch the material and form your opinion on this very important topic. There is also a lot of information out there on Pride online and on social media if you would like to know more. I would recommend the following sites:

<https://www.stonewall.org.uk/>

<https://www.bbc.co.uk/newsround/52872693>

If you have already finished this work, I would ask that you work on some of the work in the 'Faith at Home' section of the Oak National website which can be found here - <https://classroom.thenational.academy/activity-clubs/faith-at-home>. There are many interesting topics on important values such as hope or courage, led by faith leaders across the UK.
